

неизолированная (холодная) профильная система

Technical drawings of a window frame assembly, showing various cross-sections and dimensions. The drawings are arranged in a grid-like fashion, with dimensions provided for each section.

Top Row (Left to Right):

- Section 1: Dimensions 45 (width), 65 (height), 5 (gap), 40 (height), 20 (height).
- Section 2: Dimensions 45 (width), 65 (height), 5 (gap), 40 (height), 20 (height).
- Section 3: Dimensions 45 (width), 50 (height), 20 (height).

Middle Row (Left to Right):

- Section 4: Dimensions 65 (height), 20 (height).
- Section 5: Dimensions 65 (height), 20 (height), 40 (height), 5 (gap), 3 (gap), 15 (height), 10 (height).
- Section 6: Dimensions 20 (height), 65 (height), 20 (height), 5 (gap), 40 (height), 20 (height).

Bottom Row (Left to Right):

- Section 7: Dimensions 65 (height), 20 (height).
- Section 8: Dimensions 65 (height), 20 (height).
- Section 9: Dimensions 45 (width), 50 (height), 20 (height).

The drawings illustrate the assembly of the window frame, including the glass pane, the frame profile, and the mounting hardware. The dimensions are provided in millimeters.
